Why do I need a College Consultant?

What college preparation and planning strategies should I be employing in 9th Grade, 10th Grade, 11th Grade and 12th Grade?

- How do I position myself for admission to the top colleges?
- Which colleges are the best fit for me?
- How do I obtain the maximum financial aid possible?
- Why are my back up colleges more important than my first choice?
- Will applying Early Decision/Action help or hurt me?

Welcome

Welcome to the 20th Annual Golden Heart Award Banquet honoring “Unsung Heroes” in the community.

Our award recipients have gone above and beyond the call of duty to help those around them. They share the gift of their time, love and compassion. They are a shining example of the goodwill and service that is freely given every day on the job or as a volunteer.

I am thrilled to host this banquet, and am proud to be among so many heroes who silently pay it forward – never asking for any recognition. You are the ones with true hearts of gold, from all walks of life, who bring us all together and inspire the community.

It is with great joy that I welcome you, your families, friends and colleagues here tonight to celebrate in your honor.
